- f. Pages submitted in excess of the limits shown will not be evaluated but will be returned to the offeror.
- g. The page limitation applies to the initial proposal. The Final Proposal Revision shall be limited to responses to the government's concerns, and should not be an entirely new submission.

**B. Specific Instructions**

**1. Oral Presentation**

The oral presentation shall be used by the Government in its evaluation and selection of the awardee. The oral presentation shall be in the form of a briefing to explain, in detail, the offeror's understanding of and approach to the requirements delineated under the evaluation factors. No price information shall be included in the oral presentation.

The rating panel may ask questions of clarification following the presentation. The oral presentation is not a negotiation and questions may not be asked by the presenters which seek clarification of the RFP.

Evaluation criteria are shown in Section M.

**a. Content**

The Oral Proposal shall consist of responses to the following specific factors only. The factors shall be presented in order shown below.

b. Format

The Oral Proposal shall be presented by the offeror to the government's evaluation panel using the procedures shown below:

(1) Form of Presentation

Offerors must make their presentations to the Government in person. Submissions of video tape or other forms of media will not be accepted in lieu of the oral presentation. Equipment available for the presentation, furnished by the Government, will be an overhead projector and screen. A TV monitor and VCR may be provided upon advance request. Other needed equipment must be approved by the Government and furnished by the offeror. Such requests for approval shall be made no later than 5 working days before the scheduled presentation. The room will be available for preview prior to the presentation by appointment. Contact Caroline Atha, Contract Specialist at (415) 975 4688, for an appointment. The room will be available for equipment setup 30 minutes prior to the presentation.

(2) Scheduling

After receipt of proposals, the offeror will be provided a date, time and location for the oral presentation to be given to the Government. The order in which offerors will make their presentations will be determined by drawing of lots by the Contracting Officer after receipt of the proposals. Once notified, the offeror must make its presentation at the required date and time. Requests to be rescheduled will not be entertained unless exigencies make the attendance of the offeror virtually impossible. The Government retains the sole right to reschedule presentations. The anticipated dates of oral presentations will be the week of May 8th.

(3) Offeror's Presentation Team

Only members of the offeror's staff and any staff proposed to work on the contract by that offeror may participate in the presentation. Offerors are encouraged to make the proposed Center Director a part of the team. Offerors may have no more than 7 personnel on their presentation team.

Include backup data to support the estimated amount of material and subcontracting (if applicable), including description of materials to be procured, basis for proposed subcontract, and amounts proposed.

Subcontract information shall contain the list of names and addresses of any proposed subcontractors or consultants the offeror intends to use in the performance of the contract. Include the following information about subcontractors in excess of \$25,000:

- (1) Has the subcontractor submitted a cost proposal?
  - (2) Will the subcontractor be able to start performance at the beginning of the contract period?
  - (3) What is the total cost of each subcontract?
  - (4) What experience does the subcontractor have in this technical area?
  - (5) What services (skills) will the subcontractor provide?
- f. An Accounting System Certification, which is a statement certifying that the offeror has an established accounting system with internal controls adequate to safeguard their assets, check the accuracy and reliability of the accounting data, promote operating efficiency, and permit compliance with Government requirements and accounting procedures with respect to cost-reimbursement type contracts. The statement shall be executed by an independent certified or duly licensed public accountant.
- g. A completed Standard Form 33, Solicitation, Offer and Award, and all attachments thereto as outlined in the instructions, (Section K) for each copy of the Business Management Proposal.
- h. A completed Staffing Chart which Attachment J-5 will indicate the number of staff for each center function.
- i. Total Compensation Plan (salaries and fringe benefits) for professional and non-professional employees. This plan will also include a description of any bonuses, monetary awards, and other contingent payment plans for all staff charged directly to this contract. The narrative must explain the policy under which these payments will be dispersed.
- j. Area Wage and Fringe Benefit Survey - The Job Corps Area Wage and Fringe Benefit Surveys Handbook (hereafter referred to as the
